

OUR PARTNERS

COMPANY OVERVIEW

Academy Solutions Group, LLC is a thriving and growing small business with strong relationships with some of the most recognizable defense contracting companies in the world. We are delivering cutting edge technology in some of the most demanding technological areas such as cyber defense and network exploitation. Additionally, we directly support large acquisitions of ACAT 1 programs with PMP certified personnel.

A WINNING TEAM

Academy Solutions Group is committed to excellence and to being a partner of choice. Northrop Grumman selected ASG for the following awards from a pool of over 4000 eligible companies:

2008: Northrop Grumman Mission Systems Small Company Excellence Award

2008: Northrop Grumman Corporation World Class Teammate Award

A veteran-owned small business dedicated to exceptional customer service and being a partner of choice. We are known by the quality of our personnel and their exceptional talent.
